End-of-the-Year Science Project Checklist

Research

☐ Facts

☐ Sources

☐ Bibliography written

Project

☐ 3D

☐ Neat

☐ Teaches all about your topic, shows off all you learned

☐ Self-explanatory (someone could look at it and understand what it’s all about without you explaining it to them)

☐ Bibliography displayed with project

Experiment

☐ Demonstrates your topic

☐ Written up with all parts of the experiment worksheet

☐ Neat, written well

☐ Able to do it over and over with the same results

Demonstration

☐ Clearly state what your project is about

☐ Tell about what they will learn from your project

☐ Explain how the experiment relates to your topic

☐ Demonstrate the experiment

☐ State your conclusion

☐ Ask if anyone has questions
