Look carefully at the picture. This is a political cartoon about World War I.

Besides all of the soldiers in the middle, who are the other two characters?

---

The title of the cartoon is, *The Crime of the Ages—Who Did It?* What crime was committed?

---

The final character we don't see except the accusing finger. Each soldier in the middle represents a country. Who is getting most of the blame?

---

The countries all blame someone else but each has his hand on what?

---

What is the only country that doesn't seem to have an opinion or any blame?

---

What do you think is the point of this cartoon?
