

Long O Sound

Here are some ways that you can write the long O sound, how you can make O say its name.

oat boat coat float goat

doe foe hoe goes toe

tow bow mow row low

I like yellow roses and bows and arrows.

His pillow has boats on it.

The goat mows the grass by eating it!

This floats so slowly.

He goes to play with no coat.

Your toes are in a row.

The doe bends low to eat the oats.
