Fact vs. Opinion Assignment

Determine whether the following statements are fact (F) or opinion (O). Remember, a fact can be proven true or false. An opinion cannot be proven.

1. F There are clouds in the sky.
2. O Peanut butter is best with jelly.
3. F Atlanta is the capital of Georgia.
4. O Running is the best way to exercise.
5. O Everyone should own a dog.
6. F Valentine's Day is February 14th.
7. F Every year has 365 days. (Trick question. If you got it wrong, read the definition again.)
8. O Baths are better than showers.
9. O Peyton Manning is the best quarterback in the NFL.
10. O Paris is the best city to visit when going to France.
11. F Whales need oxygen to live.
12. F In the United States, you must be 18 years old to drive. (Trick question again)
