○  
what happened  
to the dinosaurs  
after the flood?

could have  
been killed  
by humans

maybe the air  
was  
different

could have  
been killed  
by other  
animals

might have  
been  
too cold

might not  
have been  
enough food

maybe their  
favorite plants  
no longer  
grew
