

Name _____

Find out what happens to your drinking water by playing the water-treatment game:

Follow the pipes through the Water Treatment Works as a litre of water and see how you get on...

(A game for two or more players with dice!)

BOTTLE COUNTERS

1 Go up the ladders and down the hoses!

2 In your notebooks copy out the words in boxes 11, 25, 39, 41, 51, 62, 68 and 76.

Write a sentence about each.
