

# ER

Now we are going to take some of these same words and add an ER to the end of them.

fan fanning fanned fanner

hum humming hummed hummer

jig jiggling jiggered jigger

bag bagging bagged bagger

tan tanning tanned tanner

limp limping limped limper

jump jumping jumped jumper

help helping helped helper

hop hopping hopped hopper

kick kicking kicked kicker

Did you notice all the double letters? They don't all have double letters, which ones do? They *do* all have two letters between the first and second vowel.

Please continue this lesson on the next page.

The bagger bagged the meat and milk.

The tanner tanned the hide of a deer.
