

## WH

when      wheat      white      whiz  
whip      whim      which      whopper

There are some wh words that don't follow the rules we've learned. You should just know them:

why    who    whose    what  
      where    weather

When did he leave his job?

Which game did she like best?

Whose bike is at home?

What team has a white logo?

Where is the whiz kid who likes math?

Who told that whopper of a tale?

Why is the weather so cold?
