EP provides free, complete, high quality online homeschool curriculum for children around the world. Find more of our courses and resources on our site, allinonehomeschool.com.

If you prefer offline materials, consider Genesis Curriculum which takes a book of the Bible and turns it into daily lessons in science, social studies, and language arts for your children to learn all together. The curriculum also includes learning Biblical languages. Genesis Curriculum offers Rainbow Readers and A Mind for Math, a math curriculum designed for about first through fourth grade to be done all together. Each math lesson is based on the day's Bible reading from the main curriculum. GC Steps is an offline preschool and kindergarten program. Learn more about our expanding curriculum on our site, GenesisCurriculum.com.
