## Thinking

Please review the FAQs and [contact us](#) if you find a problem with a link.

**Course Description:** Students will develop their logical thinking skills while engaged in fun games.

### Level 1

[Connect the Dots](#) (This can be downloaded on Kindle Fire. Search “A Dot Game.” It’s by Permashock.) Click on the green flag. Click and drag to connect the dots into a picture. Click the green flag to start a new drawing with new dots.

[Figure out the shape](#) (harder)

[Hex](#) (Put five of the same color in a row, any color, anywhere, marble has to be able to roll to the spot.)

[I Spy](#) Choose from the six options on this page.

[Lily Pads](#) (You can’t jump diagonally, but you can jump far.)

[Loot the King](#) Click on wooden objects to make them disappear. Knock out the guard by causing anything to hit him. Reload the level if you need to try again. ([Alternate Link](#))
