Plant Cell

Color the plant cell according to the key at the bottom.

Nucleus – red
Ribosomes – orange
ER – brown
Chloroplast – green
Mitochondria - blue
Vacuole - purple
Golgi body - pink
Lysosome - yellow
Color the animal cell according to the key at the bottom.

- Nucleus – red (1)
- Ribosomes – orange (2)
- ER – brown (3)
- Chloroplast – green (4)
- Mitochondria – blue (5)
- Vacuole – purple (6)
- Golgi body – pink (7)
- Lysosome – yellow (8)
