

Match the Olympic event with the correct description.

Wrestling		This event consisted of five competitions: long jump, discus, javelin, running, and wrestling.
Pentathalon		Some of these events took place on horseback. Others took place on chariots pulled by two or four horses.
Boxing		This event was throwing a wooden spear.
Long jump		This event was throwing an item shaped similar to a Frisbee.
Horse racing		This event took place in the sand. The match was over when a contestant was taken down three times.
Javelin		Competitors would hold weights, swing them, then jump in a sand track.
Discus		Competitors were not allowed to hit below the belt. Hitting in the head was allowed.
