Label the skin using the words in the box.

- sebaceous gland
- dermis
- sweat gland
- subcutaneous tissue
- epidermis
- hair

Diagram labels:
- sweat pore
- dermal papilla
- Meissner's corpuscle (tactile corpuscle)
- stratum corneum
- pigment layer
- stratum germinativum
- stratum spinosum
- stratum basale
- arrector pili muscle
- nerve fiber
- blood and lymph vessels
- vein
- artery
- Pacinian corpuscle
Label the skin using the words in the box.

- sebaceous gland
- dermis
- sweat gland
- subcutaneous tissue
- epidermis
- hair
