Tadpole or Frog

Cut out the book as one piece and fold it in half. On the inside, write or glue Tadpole at the top of one page and Frog at the top of the other. Write or glue the individual facts on the correct pages. If you’re making a lapbook, glue the “glue here” side down.

**Tadpole**
- has tail growing to legs
- eaten by water bugs
- breathes with gills
- lives in water
- senses: smell and vibration

**Frog**
- has four legs
- eaten by snakes and birds
- breathes with lungs through skin
- lives near water on land
- senses: sight and hearing
