Migration

Cut out the rectangles and fold on the dotted line. Inside (opposite the “glue here” side), answer the questions in complete sentences.

What is migration?

Why do some birds fly south for the winter?
Cut out the rectangle as one piece and fold on the center line. On the inside (opposite the “glue here” side), answer the question. On the next page, draw the migration routes for the birds listed. Be sure to color in the key with the colors you use for each bird’s route.
